法式轻奢客厅

A modern Japanese-style living room. The room features light-colored wooden flooring and walls. In the center, a low wooden TV stand holds a large flat-screen television. To the left, a long wooden sideboard with multiple drawers is decorated with a framed abstract painting and a white ceramic vase. A large potted plant stands next to it. To the right, a tall wooden cabinet with glass doors and drawers holds books and a framed abstract painting. A white door is visible in the background. In the foreground, a light-colored sofa with cushions is partially visible. A large white number '5' is overlaid in the center of the image.
